Section 2. Hazards Identification

Emergency overview

*Hazard Determination System (HDS): Health, Flammability, Reactivity

0

CAUTION

MAY CAUSE EYE IRRITATION.

NOTE: MSDS data pertains to the product as delivered in the original shipping container(s). Risk of adverse effects are lessened by following all prescribed safety precautions, including the use of proper personal protective equipment.

Acute Effects Routes of Entry Not applicable.

Eyes May cause eye irritation. Inflammation of the eye is characterized by redness, watering and

itching.

Skin No known acute effects of this product resulting from skin contact. Inhalation No known acute effects of this product resulting from inhalation.

Ingestion No data on acute toxicity of the product when ingested.

Chronic effects No known chronic effects from exposure.

Ingredients: Not listed as carcinogen by OSHA, NTP or IARC.

Additional Information: See Toxicological Information (Section 11)

Section 3. Composition/Information on Ingredients

OSHA's Hazard Communication Standard (29 CFR 1910.1200) does not require the listing of any ingredient for this product

Section 4. First Aid Measures

Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and Eye Contact

remove any contact lenses. Continue to rinse for at least 10 minutes. Get medical attention.

Skin Contact This product is formulated for use on the skin, but should always be immediately rinsed off with plenty of water.

Get medical attention if irritation develops.

Inhalation Inhalation not likely under normal use conditions.

Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an Ingestion

unconscious person. If affected person is conscious, give plenty of water to drink. Get medical attention.

Section 5. Fire Fighting Measures

National Fire Protection Association (U.S.A.)

Flash Point

None.

Flammable Limits Not applicable

Flammability Non-combustible.

Fire hazard In a fire or if heated, a pressure increase will occur and the container may burst.

Procedures

Fire-Fighting Use an extinguishing agent suitable for the surrounding fire.

1-320-NA0605001-14842-1-0-358-1-859-5

Section 6. Ac	cidenta	l Release Me	asures					
Spill Clean up			m spill area. Dilute with w an appropriate waste dispo		p if water-so	luble or absor	b with an inert o	lry
Section 7. Ha	ndling	and Storage						
Handling	Avoid co	ontact with eyes	. Do not ingest. Wash cont	aminated cloth	ing before re	cusing. Do not	reuse container	
	Protect f children.		tore between the following	temperatures:	40°F - 120°F	(4.4°C - 49°C). Keep out of t	he reach

Section 15. Regulatory Information

U.S. Federal Regulations

SARA 313 toxic chemical notification and release reporting:

No products were found.

Clean Water Act (CWA) 307: No products were found.

Clean Water Act (CWA) 311: No products were found.

Clean Air Act (CAA) 112 regulated toxic substances: No products were found.

All Components of this product are listed or exempt from listing on TSCA Inventory.

State Regulations

California Prop 65 No products were found

Section 16. Other Information

To the best of our knowledge, the information contained herein is accurate. However, neither the above named supplier nor any of its subsidiaries assumes any liability whatsoever for the accuracy or completeness of the information contained herein.

Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution.

Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist,

*NOTE. Hazard Determination System (HDS) ratings are based on a 0-4 rating scale, with 0 representing minimal hazards or risks, and 4 representing significant hazards or risks. Although these ratings are not required on MSDSs under 29 CFR 1910.1200, the preparer may choose to provide them. HDS ratings are to be used with a fully implemented program to relay the meanings of this scale.
